

If you're a genuinely awesome human committed to becoming a better therapist while serving those who need it most, we'd love to hear from you! Our practice is growing and we're looking for those willing and ready to go above and beyond when it comes to providing excellent clinical care. Whether you have years of experience or are newly licensed and looking to develop strong clinical skills, we encourage you to consider joining our team.

Lumina Counseling & Wellness is a highly specialized DBT practice serving the Miami community since 2019 (Previously MG Psychology), led by Dr. Maribel Gonzalez, a DBT- Linehan Board Certified Clinician. We specialize in helping those who struggle with intense emotion dysregulation and feel constantly out of control, stuck in chaos, hopeless, and at times engage in self-harming and/or unhealthy behaviors. Our mission is to help unlock our client's true potential so they can triumph over life's obstacles, rediscover hope and live fulfilling lives.

We seek out individuals who share our mission and embody our values. Our practice is looking for individuals committed for the long-term, not just those looking for a short-term job. We aim to assist you in creating a career that you're so passionate about, you'll never want to leave it. We strongly believe happy therapists do better work and by fostering a team culture characterized by authenticity, ongoing learning, collaboration, acceptance, and self-care, we ensure that our clients receive the best care. It's a win-win-win situation.

**Position:** Primary Clinician for Adults and Adolescents

**Job Description:** As a DBT therapist in our practice, you will have the chance to work with diverse and struggling clientele while further developing your skills in Dialectical Behavior Therapy (DBT). Previous DBT training is not required as we provide comprehensive training and cover all associated costs. The ideal candidate is a self-starter who values ongoing learning and collaboration and has a strong dedication for treating a population with multiple problems in multiple domains.

This is a full-time position requiring 20 plus direct client hours per week. Clinicians are expected to provide comprehensive DBT which includes the four modes of treatment (individual, group, phone coaching and weekly team consultation). While the hours are generally flexible, an ideal candidate would be available until 7pm at least 2 nights a week.

**Responsibilities:**

- Provide individual DBT and family therapy.

- Lead and co-facilitate DBT skills training groups for teens, adults, and parents.
- Extend phone coaching to clients according to treatment protocol.
- Participate in a weekly DBT consult team meetings and additional staff meetings.
- Attend training opportunities to enhance your clinical skills.
- Maintain electronic clinical records in compliance with ethical and legal guidelines.
- Collaborate with our team to ensure the highest standard of client care.

**Qualifications:**

- Master's degree or higher in Counseling, Social Work, or related field.
- Active Florida state licensure.
- Willingness to learn, receive feedback and grow professionally.
- Fluency in both Spanish & English is preferred.
- Ability to work well with a diverse clientele in a collaborative environment.

**Benefits:**

- Competitive pay- W2 position, with full coverage liability insurance for licensed staff.
- Full DBT training provided (40+ hrs).
- Clinical Supervision by a DBT-Linehan Board Certified Clinician
- Monthly stipend to compensate for DBT team consultation and training.
- Full administrative support for intake scheduling, billing, and customer care.
- Flexible work schedule to promote a healthy work-life balance. Therapist can choose to create a 4-day or 5-day schedule. Hybrid, in-person, and telehealth options.
- Supportive and inclusive work environment that encourages professional development.
- Opportunity to be part of a growing group practice with future opportunities for professional growth.

**Interview Process:** If you're interested in being part of our growing group practice, we encourage you to apply by submitting your resume to [drg@luminacounselingwellness.com](mailto:drg@luminacounselingwellness.com). In your email, please express (1) why your interest in joining our growing practice, (2) what draws you to DBT and working with this population, (3) as well as information related to other certifications, areas of specialty or previous internship experiences and how they relate to our work. Once we receive your application, we will reach out to you and let you know if we decide to move forward with scheduling your first interview.

\*Our group is rebranding, and the new Lumina Counseling website is still under construction. Please visit our current website- [www.mgpsychology.com](http://www.mgpsychology.com) for more information.

**Join our team and be a part of our group practice's growth as we continue to make a positive impact in the lives of individuals seeking mental health support in our community.**
